REMOVE ONE-WAY ON
WEST VLIET STREET FROM
NORTH 3RD STREET TO
NORTH 5TH STREET

Dear Alderwoman Johnson-Odom:

As part of our on-going effort to verify field traffic control sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the above-captioned traffic control restriction are not present in the field. We believe that the restriction is no longer needed and recommend that the ordinance be repealed. The change we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGNS ON
SOUTH 19TH STREET AT
WEST HAYES AVENUE

Dear Alderman Donovan:

This is in response to your request on behalf of Ms. Dorothy Rodenkirch to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned traffic control. We, therefore, in the interest of public safety, recommend the installation of Stop signs on South 19th Street at West Hayes Avenue.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

REMOVE YIELD SIGNS AND
INSTALL STOP SIGNS ON
SOUTH COMSTOCK AVENUE
AT WEST ARROW STREET

Dear Alderman Sanchez:

This is in response to your request on behalf of Mr. Sheldon La Vake to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that the crash data received from the Milwaukee Police Department revealed an increase in crashes at this intersection. Our inspection of the intersection showed that approaching motorists must reduce their vehicle speed to enter the intersection safely. We, therefore, concur that the present Yield signs appear to be no longer effective, and will recommend the installation of Stop signs.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL FOUR-WAY STOP ON
WEST FOREST HOME AVENUE
AND SOUTH 14TH STREET

Dear Alderman Sanchez:

This is in response to your request on behalf of Mr. Antonio Rentas to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned traffic control. We, therefore, in the interest of public safety, recommend the installation of a four-way stop control at West Forest Home Avenue and South 14th Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Subject: 16TH ALD. DIST. – FILE #021520
INSTALL STOP SIGNS ON
WEST GALENA STREET AT
NORTH 50TH STREET

Dear Alderman Murphy:

This is in response to your request on behalf of Ms. Jaye Fabian to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned traffic control. Our inspection revealed that a sight obstruction on the southwest corner reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of Stop signs on West Galena Street at North 50th Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
