We are pleased to present you with this copy of the Milwaukee Water Works Annual Report for 2002. The report reflects the activities of the utility for the year 2002.

The late release of the Annual Report is related to the intensive (post-Enron) scrutiny placed on the financial section of the report by the Auditors.

Additional copies of the report may be obtained by contacting William Gehweiler, in the Water Works Accounting Section at 286-2927.

Very truly yours,
