**FILE NO: 101274**

**Title:**

**Substitute resolution designating the Garden Homes development as a City of Milwaukee historic district. (1st Aldermanic District)**

**Body:**

Whereas, The City of Milwaukee's historic preservation ordinance (s. 320-21 of the Milwaukee Code of Ordinances) provides for local/City designation of historic sites, structures and districts by the Common Council upon recommendation of the City's Historic Preservation Commission; and

Whereas, The Garden Homes development, a 1920s-era housing development designed in accordance with early-20th-century "garden city" planning principles, is located on approximately 29 acres in the area roughly bounded by W. Ruby Avenue on the north, W. Atkinson Avenue on the south, the alley between N. 26th and N. 27th Streets on the west and the alleys between 25th Street/Teutonia Avenue and 25th Street/24th Place on the east; and

Whereas, At its July 25, 2011, meeting, the Historic Preservation Commission voted to recommend designation of the Garden Homes development as a local/City historic district, the "Garden Homes Historic District," on the grounds that this development has "historic, architectural and cultural significance" as defined in s. 320-21-3-e of the Code of Ordinances, particularly its:

- e-1. Exemplification of the development of the cultural, economic, social or historic heritage of the city of Milwaukee, state of Wisconsin or the United States.
- e-3. Identification with a person or persons who significantly contributed to the culture and development of the city.
- e-4. Portrayal of the environment of a group of people in an era of history characterized by a distinctive architectural style.
- e-6. Identification as the work of an artist, architect, craftsperson or master builder whose individual works have influenced the development of the city.
- e-7. Embodiment of elements of architectural design, detail, materials or craftsmanship which represent a significant architectural innovation.
- e-9. Unique location as a singular physical characteristic which represents an established and familiar visual feature of a neighborhood, community or the city.

; and

Whereas, The Common Council also finds that the Garden Homes development meets these criteria for designation as a local/City historic district; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the following area is designated the Garden Homes Historic District under s. 320-21-9 of the Milwaukee Code of Ordinances:

Congress Street; then north along the east property line of 2449 W. Congress Street to the south property line of 4415 N. Teutonia Avenue; then west to the east/rear property line of 4402 N. 25th Street; then northwest along the rear property lines of properties fronting N. 25th Street to the south curb line of W. Ruby Avenue; then west along the south curb line of W. Ruby Avenue to the west property line of 4485 N. 26th Street; then south along the rear property lines of properties fronting N. 26th Street to the north curb line of West Atkinson Avenue; then southeast along the north curb line of W. Atkinson Avenue to the east curb line of N. 25th Street, then northeast along the east curb line of N. 25th Street to the south property line of 4330 N. 25th Street, then southeast along the south property line of 4330 N. 25th Street to the point of beginning.

; and, be it

Further Resolved, That the Historic Designation Study Report for the Garden Homes Historic District, a copy of which is attached to and made a part of this file, is approved; and, be it
