NOTICE IS HEREBY GIVEN as required by the provisions of Section 893.80 of the Wisconsin Statutes as follows:

That the City of Milwaukee, Wisconsin, through its officers, agents and employees was negligent in the following respects: on or about July 3, 2000, Clint Resch was injured while being a passenger in his Auxiliary Sail Boat which was docked at the South Shore Yacht Club. At approximately 11:00 p.m. on said date Mr. Resch was in his boat when a Milwaukee Police boat came speeding into the channel approximately 30 minutes after an emergency call.

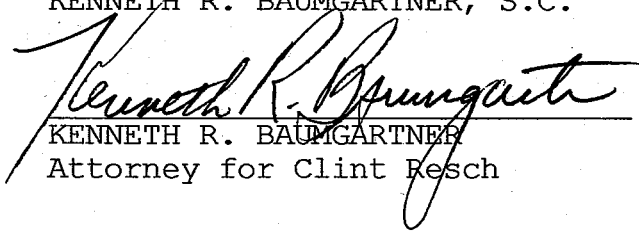

That due to the speed of the Milwaukee Police boat a wake was created which broke the bow lines of Mr. Resch's boat, causing it to be tossed into the dock. Mr. Resch then grabbed the shroud and was tossed back and forth inside the boat, eventually falling out and into the water between the boat and dock. Mr. Resch was treated at Kenosha Hospital Emergency Room for contusions and abrasions. He has further complained of pains in the upper back, shoulder and both hips and is presently under the care of Biese Chiropractic.

Claim is hereby made against the City of Milwaukee, Wisconsin by Clint Resch in the sum of \$ 50,000.00 for the injuries and damages hereinabove set forth.

Notice is hereby also given that the law firm of KENNETH R. BAUMGARTNER, S.C., 5712 - 6th Avenue, Kenosha, Wisconsin, 53140, has been retained in this matter.
