To Whom It May Concern:

This letter is to inform you of my request to appeal the decision to deny my claim of the damage that was caused to my car by the sanitation workers on my route. The C. I. file number is 03-S-247. I am requesting a hearing regarding this matter.

To Whom It May Concern:

This letter is in regards to damage that was caused to my Eagle Talon by the sanitation workers who collect my trash.

During the first week of April I noticed the passenger side mirror of my Eagle Talon was damaged. This car was not driven all winter and was not moved from this spot on my driveway since November of 2002. It's obvious the only way this mirror could have been damaged was by a garbage cart (see photo). The mirror was fine in late March and as I said the car had not moved since then. I called the city and they sent me the instructions on how to file a claim. I did not file a claim until now because two estimates of repair are required and do not insure the car during winter and only recently started full coverage again. Enclosed are copies of the two estimates.

My daytime phone # is (414) 393-3145 and my home phone is (414) 263-3666. Thank you.

Sincerely,

Donald N. Rebella
