Dear Mr. Jakubovich:

Enclosed is our Certificate of Appropriateness Application Form for repair work to be done on our parking lot located on the southwest corner of Kilbourn and Milwaukee Street. As we discussed when we met at the lot, we wish to replace the old landscape timbers with new timbers of the same type. In addition, we wish to rebuild the three brick pillars located at the two entrances to the lot. The new pillars will look the same as the current pillars. Pictures of the timbers and pillars are enclosed.

As required, we have submitted and received approval from the Board of Zoning Appeals for the work described above.

If you have any questions or require additional information, I can be reached at 414-350-2105 or piotrowskij@archmil.org.

Sincerely,

James Piotrowski
Director of Administrative Services
