To the Honorable Members of the  
Zoning, Neighborhoods and Development Committee  
City of Milwaukee  
City Hall, Room 205

Dear Committee Members:

File No. 180724 relates to requirements for certified survey maps and subdivision plats.

This ordinance revises and updates the City's requirements and procedures for certified survey maps and subdivision plats. More specifically this file repeals and replaces chapter 119 of the Milwaukee Code of Ordinances so as it bring it up-to-date with current procedures and state regulations.

Since the file simplifies and clarifies the existing code, the City Plan Commission at its regular meeting on January 27, 2020 recommended approval of the subject file.

Sincerely,

Rocky Marcoux  
Executive Secretary  
City Plan Commission of Milwaukee
