Dear Mr. Polenske:

SUBJECT: STP-Local Bridge Agreement (REVISED)
ID: 2650-00-00/20/50/70
W. Highland Boulevard (P-40-0874)
Bridge over CP Rail Underpass
Bridge Replacement
Milwaukee County

This revised project agreement replaces the previous agreement dated March 19, 2003 and reflects an 80% federal/20% local cost share of the estimated total project cost of \$3,845,000. The Federal portion of the funding is estimated at \$3,076,000. In an effort to stabilize the Local Program, project costs in excess of this amount may be your responsibility. The Project Agreement is your agency's firm commitment to provide its share of the funding.

Enclosed are three copies of the Revised Project Agreement. Please review and return the **Project Schedule Worksheet** (attached) and **two** signed copies of the Agreement. A third copy has been provided for your records. Please note that the project is not authorized for charges until the signed Agreement has been received and fully executed by the State. Costs incurred prior to authorization are not reimbursable.

This agreement also includes a sunset provision (see Terms and Conditions No. 10). Effective immediately for the Local Bridge Program, we will be enforcing Chapter 213 of the Wisconsin Administrative Code, where funds are required to be authorized prior to the completion of the cycle the project was approved in.

Projects selected for this cycle that are not let by June 2007, will be removed from the program. If you want to pursue the project, it will have to be re-applied for in the next cycle.

If you have any questions concerning the project implementation process, please contact the Project Manager, Kathy Labisch, WisDOT, at (262) 548-8772. If you have questions about the Project Agreement or cost share policy, please call me at (262) 548-8789.

Sincerely,

Anita N. Pusch
Local Program Engineer
