Honorable Robert G. Donovan  
Alderman, 8th Aldermanic District  
Room 205, City Hall

SUBJECT: 8TH ALD. DIST. - FILE #181107  
INSTALL NO PARKING ON THE NORTH SIDE  
OF WEST CLEVELAND AVENUE FROM A  
POINT 110 FEET EAST OF SOUTH 31<sup>ST</sup> STREET  
TO A POINT 20 FEET EAST THEREOF

Dear Alderman Donovan:

This is in response to your request on behalf of a local resident to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the alley on the north side of West Cleveland Avenue and east of South 31st Street have a difficult time seeing traffic traveling eastbound on West Cleveland Avenue when vehicles park close to the alley. Therefore, in the interest of public safety, we recommend installing this restriction to increase visibility at the alley.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.  
City Engineer
