Dear Mr. Zielinski:

Please find enclosed the original (and two copies) of the original resolution, a fiscal note, a budget form and a grant analysis form to "open and fill a file" for a grant for the Milwaukee Fire Department.

The objective of this grant is to provide the City of Milwaukee with equipment and supplies needed to assist in mitigation of incidents involving domestic terrorism. The Milwaukee Fire Department plans to use these funds to purchase personal protective, patient care, and decontamination equipment and supplies.

This grant was originally applied for in September of 1997. Resolution 970825 was approved at that time. Since the initial application for the grant, the grant period has been extended and no monies have been received. Because of this, it was recommended that a new resolution and accompanying documents be submitted. The deliverables required by the grantor for this award have been submitted and accepted. The funds are available to the City upon approval of the Common Council.

If you have any questions please feel free to contact me at extension 8946.

Sincerely,

LAWRENCE A. GARDNER
Chief
