# Urban Underground

**URBA**  
**UNDERGROU**

Founded in 2000, Urban Underground is advancing a new generation of young leaders committed to building safe and sustainable communities. We advance our mission through effective and age appropriate programs, strategic partnerships, and youth led civic engagement campaigns in the areas of health, education, public safety, and community justice. Urban Underground taps the creative intelligence of youth ages 14-21, primarily from low-income backgrounds, and has developed an action-based learning model for engaging teens in developing their personal, professional, and leadership skills.

# ArtWorks for Milwaukee

## Environmental arts

This summer, three HS interns, one intern alum (attending Cardinal Stritch), and one UWM ArtsECO intern will:

Collect 5,000 bottle caps and hard plastic tops - JOIN US for the collection!!

Recycled plastic mosaic sign for Green Tech Station, new environmental education space on 31st and Capital

Painting 10 wood benches to be placed throughout Green Tech Station

Distributing origami and messages/poems of peace to the community at various neighborhood gatherings

Site activation at Green Tech Station on July 22 - time TBD

Interns' artwork unveiling at Green Tech station in mid-August - date TBD

## Social justice filmmaking

This summer, four HS interns and two HS intern alums will:

Create a collaborative 30-minute film about their experiences with COVID

Objective: inspire youth to tell stories about difficult subjects, bring a positive light to the pandemic

Combine footage of their everyday lives - in school, at home, at work, at the store; plus pictures and news footage since the pandemic began

Practice with flying drones

Edit all content together in-person (hopefully) in June

Premiere their collab video at a screening in mid-July (location TBD)

Create a small mural with one still image from the collab video (tentative)

RENEWAL CENTER

[casaromero.org](http://casaromero.org)

# Casa Romero Renewal Center Soccer Camp

Soccer Camp is a one-week athletes camp which guides participating boys to understand their own self-worth as team members, learn to use self-awareness, conscience, imagination, and willpower as agents in decision-making, and develop an appreciation for the important role of education in their lives.

**In person, ages 14-19**

Carlos Beltran: [cbeltran@casaromero.org](mailto:cbeltran@casaromero.org)

# Casa Romero Renewal Center Art Club Camp

Art Club is a follow up program further exploring the themes of the middle school retreats, offered as an after school program or a two-week summer camp. Art Club teaches middle school girls how visual artists explore, represent, and envision identity and personal voice through contemporary, culturally responsive approaches to making art.

## Comunidad de Amigos Music Camp

Comunidad de Amigos Music Camp is a two week summer camp that builds on students' natural gifts of writing and performance. Using musical elements of the traditional Mexican folklore this camp empowers middle school students to be positive agents of change. Students grow in self-awareness and practice aspects of critical judgment as they explore their outer and inner environment. The final days of the camp they write and record an original musical piece which they perform for the community.

## **Outdoor Education**

**Site locations:** Hawthorn Glen, Lakeshore State Park, Lapham Peak, Oak Ridge Farm

To schedule a field trip (in-person or virtual), contact the Outdoor Education Office at 414-647-6050.

**Classes:** Milwaukee Recreation offers a wide variety of classes to connect children to nature and encourage them to develop a lifelong appreciation of the environment. Children participate in songs, art projects, hikes, and games all while learning about their natural environment! See pages 30-34 in the [Summer Recreation Guide](#) for class offerings.

**Virtual Field Trips:** Utilizing Google Classrooms, our Naturalists provide engaging activities, videos, educational games, and ways to experience nature in your neighborhood. These programs tie directly to classroom curricula and meet or exceed state standards.

**In-person Field Trips:** Milwaukee Recreation can be an extension of your classroom curriculum by taking advantage of all the wonderful field trip locations available to you:

1. Experience a nature center with live animals of Wisconsin.
2. Visit a 200-acre working farm with large animals, moving machinery and a barn with dairy operations.
3. See some of the finest examples of glacial topography on the planet.
4. Have a seat in circular benches and watch "all of our stars" on the dome ceiling.
5. Take a hike through diverse habitats including a marsh, river, pond, deciduous forest, and a coniferous forest.

Summer Programs at our Clubs

# First Tee — Southeast Wisconsin

- At First Tee — Southeast Wisconsin, we work with experts in a variety of fields to deliver junior golf programs that are proven to have a positive influence on kids and teens. Each lesson is designed to be fun, interactive and engaging. Our coaches follow a philosophy centered on positively reinforcing your child's actions and ensuring a great experience.
- Our First Tee coaches seamlessly weave golf and character building activities into each lesson. As your child progresses through First Tee programs, the activities and life lessons become more involved, helping your child build character and become even more equipped to make good choices on and off the golf course.
