RONALD L. LEONARDT
CITY CLERK

April 29, 2002

Mr. Ronald Leonardt
City Clerks Office
200 East Wells Street, Room 205
Milwaukee, WI 53202

Dear Mr. Leonardt,

I am taking this opportunity to introduce myself to you, and the Judiciary and Legislation Committee of the City of Milwaukee. I am a 1993 graduate of Marquette University Law School and licensed to practice law in the state of Wisconsin. I wish to be considered for the vacancy in the Municipal Judge position, Branch 2 of the City of Milwaukee Municipal Court that became available as a result of the Honorable Louis B. Butler Jr.'s recent election to the Circuit Court of Milwaukee County.

I am currently a partner at the law firm of Machulak, Robertson & O'Dess. We are a civil litigation firm, with a wide range of specialties in various areas of the law. My current practice consists primarily of family law, elder/guardianship and real estate law. I consider myself to be an expert in the area of guardianship and protective placement law and represent various nursing homes, hospitals and the Milwaukee County Department of Adult Services.

In addition to the practice of law, I am also a certified divorce mediator and routinely mediate cases involving custody and physical placement of minors for the Milwaukee County Family Court Commissioner's Office as well as for private pay cases. Some of my public community service endeavors include: current membership on the Board of Directors for the Mental Health Association for Milwaukee County, of which I am the Chairman of the newly launched Invisible Children's Program, Chairman of the Speakers Bureau of the Milwaukee Bar Association, and frequent guest lecturer/speaker at various schools and other community organizations. Prior to joining Machulak, Robertson & O'Dess, I worked as an associate attorney for Lloyd, Phenicie, Lynch and Kelly, Dunlap and Associates and operated my own law office in an office share arrangement with attorney Michael Sanger. I even have a year of experience working as a legal intern for the West Allis City Attorney's Office where I reviewed and prosecuted municipal ordinance violations before the Honorable Nicholas Lucas in the West Allis Municipal Court.

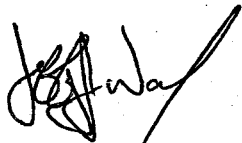

I am a life long resident of the city of Milwaukee born and raised on the south side near 38th and Oklahoma. In 1999, my wife and I moved to Franklin, WI as a result of a job that I had in Burlington, WI. I would welcome the opportunity to move back to the city of Milwaukee in the event that I would serve the city as municipal judge.

Becoming a municipal judge would fulfill a goal of mine that I've had since graduation from law school. I truly feel that my years of legal experience in a wide variety of areas of the law coupled with my extensive community service makes me a strong candidate for municipal judge. I feel that it is important for a municipal judge to have a diverse personal and employment background so that a balance can be achieved between protecting the rights of the community at large with the individual interests and concerns of the people who appear before you. I am confident that I would bring such a balance of justice to the bench for the city of Milwaukee.

Enclosed please find my resume. I would welcome the opportunity to meet with yourself and members of the council's judiciary and legislative committee to further discuss my experience and qualifications for the position of municipal judge. I will also be happy to provide you and the committee with any further application materials for the judgeship position.

I look forward to hearing from you and the committee soon.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Warchol", written in a cursive style.
