Subject: 1ST ALD. DIST. – FILE #030847
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN
THE 1ST ALDERMANIC DISTRICT

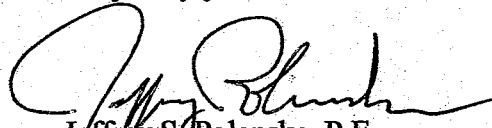

Dear Alderman Pratt:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 19th Street from West Olive Street to a point north – Two Hour Parking
2. North 27th Street from West Roosevelt Drive to West Atkinson Avenue –
Two Hour Parking
3. North 28th Street from West Atkinson Avenue to a point south – No Parking

Very truly yours,

FROM WEST MICHIGAN STREET TO
WEST McAULEY PLACE

Dear Chairperson:

This is in response to a request we received from the Milwaukee Police Department to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found the installation of this restriction will provide the necessary turnover parking at the new Milwaukee Police Department outpost station.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Subject: 5TH ALD. DIST. – FILE #030847
INSTALL NO PARKING ON THE WEST SIDE OF
NORTH 88TH STREET FROM WEST LISBON AVENUE
TO A POINT 30 FEET SOUTH

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Diane Tendler to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists on West Lisbon Avenue have a difficult time entering onto North 88th Street when vehicles park on both sides of the street, and northbound motorists are waiting at the stop sign. We, therefore, in the interest of public safety, recommend this restriction to allow easier turn maneuvers and to provide two-way traffic flow for this approach to the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
