Subject: Item 8 at PW Today

Good morning Chairman Bauman,

I am the sponsor of item 8 on your agenda today. There is a likely chance that I may not be able to attend on behalf of this matter and I wanted to alert you to this. I do ask that the committee support this ordinance change as recommended by the Bike Ped Task force. Representatives from the Bicycle Federation and Mike Amsden from DOW will be there to present on this item. This change will help further the work with MPS to produce safe routes to schools.

Please share my comments with your committee.

~Marina
