Subject: Introduction of Resolution Increasing Grantor Share Appropriation Authority
for 2024

Dear Honorable Members:

We are submitting the attached resolution for introduction. The intent is to increase the grantor share appropriation authority for 2024. There is a need for increased operating grant appropriation authority in 2024 based on greater than unanticipated grant awards the City has received.

The file is being introduced by title only at this time but will be filled prior to a Committee hearing.

Respectfully submitted,

Nik Kovac
Budget and Management Director
