

Subcommittee met and determined that the Academy of Learning and Leadership did not meet expectations as outlined in the December 30, 2008 probation letter (see Children's Research Center memo dated July 7, 2010); and therefore recommends the CSRC pass the following motion:

CSRC recommends to the Common Council that the city terminate the charter school contract and revoke the charter of the Academy of Learning and Leadership based on the violation of contract provision II. C. 3:

"CITY determines that pupils enrolled in Charter School have failed to make sufficient progress toward attaining the educational goals under section 118.01, Stats. or the academic performance criteria established by the CITY." (emphasis added).
