

Kathryn A. Hein
Milwaukee, Wisconsin

BACKGROUND

A resident of the City of Milwaukee for 20 years, I have lived on both the near west and south sides of the city. For nearly 21 years I worked in the local office of Congressman Jerry Kleczka serving initially as his District Director and then his Chief of Staff. During my tenure in the Congressional office I served the needs of a diverse constituency. I handled dispute resolution issues between federal agencies and constituents, and advocated on behalf of the needs of citizens in the Congressional district. Currently as an Administrator at Marquette University I work with disadvantaged students placing them in internships with local legislative leaders. In addition, as a board member of the Sixteenth Street Community Health Center I am committed to the needs of an underserved population.
