To the Honorable, The Common Council of the City of Milwaukee:

Council Members:

The undersigned Wisconsin Corporation
(State whether petitioner is an individual, co-partnership, Wisconsin or foreign corporation)

being the owners of the following described real estate:

N/A
(Legal description)

_____ in the 4th Aldermanic District also known by street and number as 722-740 North Broadway respectfully petition the Common Council of the City of Milwaukee according to the provisions of Section 66.045 of the Wisconsin Statutes, that the following privilege be granted:

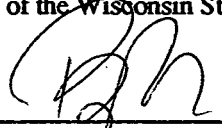

That Ameritech be allowed to retain two existing privately owned pedestrian harp lights located in the City of Milwaukee street right-of-way. Ameritech installed these two lights at the request of the Department of City Development in an effort to help beautify the streetscape. Ameritech is providing power to operate these two harp lights and will maintain them as long as the City of Milwaukee allows the special privilege to exist. These two harp lights are mounted on the hollow sidewalk in front of the Ameritech Wisconsin headquarters building located at 722/740 North Broadway,

of which a plan or sketch is herewith submitted. Petitioner agrees to comply with all laws and all ordinances of the City of Milwaukee, to abide by any order or resolution of the Common Council affecting this privilege, to be primarily liable for damages to person or property by reason of the granting of such privilege, to furnish a bond and pay annual compensation as provided by law in the sum to be fixed by the proper city officers, and to file and keep current throughout the existence of the privilege, a certificate of insurance indicating applicant holds a public liability policy in at least the sums of \$25,000.00/\$50,000.00 bodily injury, and \$10,000.00 property damage, insuring the city against any liability that might arise by reason of the privilege.

Petitioner further agrees to remove said privilege whenever public necessity so requires when so ordered upon resolution adopted by the Common Council or other legislative body.

Should this special privilege be discontinued for any reason whatsoever, petitioner agrees to remove all construction work executed pursuant to this special privilege, to restore to its former condition and to the approval of the Commissioner of Public Works, any curb, pavement, or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Petitioner further agrees not to contest the validity of Section 66.045 of the Wisconsin Statutes, or the legality of this special privilege in any way.
