Subject: Travaux contract for Becher Court construction
Importance: High

Hi,

Attached is the revised Travaux contract for Becher Court construction.

I incorporated the changes we discussed at our meeting:

- 4.1.2 – preconstruction phase services fee
- 5.1.1 – Construction Manager’s fee
- 5.2.1 – cost savings sharing

I also made some minor corrections (typos, architect’s address, formatting, etc.)

Please review and let me know if you want any further revisions.

Scott: If no further revisions are requested, then you may submit this to Patty Dee for the board meeting documentation.

Thanks.

David
