Subject: Vote No for the Data Center

Some people who received this message don't often get email from emily_eineichner@hotmail.com.

[Learn why this is important](#)

To Whom it May Concern:

I was appalled to see that Milwaukee is even considering a data center, especially in an already undeserved neighborhood like Sherman Park. The neighborhood has come a long way, but adding a data center that will utilize valuable resources like clean water and green space to build something that won't provide jobs or useful development to the area is a waste to this growing community. Please vote no on the data center on May 18th.
