September 16, 2021

To: Leon Todd, Executive Director to the Fire and Police Commission

From: Alderman Mark Borkowski 

Re: Promotion Consideration of Lieutenant Herb Glidewell

Tonight on your agenda is the promotion consideration of Lt. Herb Glidewell. I had the opportunity to work with him a few times, especially his last stint as Acting Captain for the 6th District. I am very proud of our men and women who serve our community, but sometimes, one separates himself. That is Herb Glidewell. His attention to detail, work ethic, and care/concern for our community are just some of the special qualities he brings.

Our city is lucky to have such quality candidates but Lt. Glidewell stands alone. He, and we, are most deserving of his promotion and I wholeheartedly endorse his candidacy. Thank you for your consideration and continued great work on our Fire and Police Commission.
