

Dear City Clerks,

CITY OF MILWAUKEE

01 MAY 22 AM 10:52

My name is Dareen Jordan and I previously submitted a claim against the city regarding my car. It states in your letter that the reason my claim was denied was because two notices were sent to my place of residence. I'm not arguing the notices; my point is that I was not in a position to respond or react. If you would have done a thorough investigation, you would have found that I was incarcerated from 10/9/00 to 2/17/01. There's no way possible I could've gotten, or responded to those letters. In a past experience with getting my car from a Tow Lot, I know that proper identification is required when picking the vehicle up. Please do a further investigation on this matter because I do desperately need transportation to get back and forth to work and to also take care of my parental responsibilities.

RONALD J. BERNHARDT
CITY CLERK

Thank You

Dareen Jordan

To whom it may concern:

My name is Dareen Jordan, and I'm writing the City Clerk, because my car was auctioned or recycled. My car was picked up on 1/10/01. The rule of the winter season is you have a total of three weeks to pick up your vehicle. The car was recycled on 2/2/01. There is one problem I was incarcerated between 10/10/00 to 2/17/01. The only person that can retrieve the car is the owner, and the owner has to provide I.D. and title. The year of the car is 1979 Buick Regal. Good body, no dints, white leather seats, my means of transportation. The value amount is \$1,800. My car is what help pays my bills, and I desperately need my car or a car to get back and forth to work.

Thank you,
Dareen Jordan
