Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The grant provides additional support to communities identified by the federal government as at risk for potential acts of domestic terrorism. This funding is to be used to support response capabilities developed through previous grants.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

Strategic Goal : Protect Milwaukee's citizens from crime, fires, and other hazards.
Strategy 7: Reduce the damage caused by fires and other catastrophes that do occur.

This grant is related to the above Public Safety Strategies and Actions as well as the department's objective to provide timely emergency services to make the city a safe place to live, work, and conduct business. The personnel, equipment and supplies available through this grant will assist in preparing the City's emergency response agencies to mitigate acts of domestic terrorism that threaten public safety.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

This grant will provide essential staff, equipment and supplies required to prepare for and to manage incidents involving acts of domestic terrorism. Emphasis has been placed on preparation that will not only assist in managing incidents that are related to domestic terrorism, but will also support department operations in other events that threaten public safety.

4. Results Measurement/Progress Report (Applies only to Programs):

Monthly progress reports are required during the grant period.

5. Grant Period, Timetable and Program Phase-out Plan:

September 30, 2003 to September 29, 2004
