RE: Class B Tavern 4923 W Villard Ave

Our main concern and question:

Does this property have ample parking to accommodate its patron's on a Friday and Saturday evening?

has been in business for 53 years and at our present location for 38 years. From past experience, especially with restaurant or entertainment type, we have had the overflow of other patron's using our lot when there was not ample parking at the businesses they were frequenting. During those times, we have experienced broken windows on our building and vandalism to our automobiles that have been parked outside for the weekend.

We do have surveillance cameras that monitor our business, including the parking lot and street activity. It is important for you to know that if our lot is used by someone else other than our customers vehicles, there will be a fee of \$100 a month.

This is a large concern for us.
