NATURE OF CALL/ JUSTIFICATION

On Tuesday, April 5, 2022 at approximately 8:53 pm, a caller stated that she heard shots fired across the street from Mitchell's Tavern located at 10433 W Appleton Ave. The caller of this complaint stated that she heard approximately 5 to 6 gunshots.

INVESTIGATION

Upon arrival at the mentioned address, officers searched the area for casings or signs of property damage and did not observe anything. The Milwaukee County Sheriff Department was contacted to assist with searching the Milwaukee County Parkway in which no casings were recovered.

I then entered Mitchell's Tavern and spoke with the owner Brent ROCK. ROCK stated that he heard the shots being fired from across W Appleton Ave in the park area. ROCK stated that he heard gunshots coming from the park area often but could not provide a description of the offenders.

FOLLOW UP

While speaking with ROCK in the parking lot of Mitchell's Tavern I observed that the exterior pole light on the eastside of the parking lot was very dim. ROCK stated that the pole light was owned by the city and would contact them to have the light replaced. ROCK agreed that replacing pole light would aide with lot security.

I viewed the security camera footage of the exterior of Mitchell's Tavern and did not observe anyone discharging a firearm in the area.
