RE: 3079 N. 122nd St.
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept of Neighborhood Services
(Name of City Department)

Amount of the charges \$ 2,990.20

Charge relative to: Trash removal

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

I am being charged for trash that I started to
remove but did not finish, due to inclement weather.
The trash on the side of the house (south side) was
completely removed by the time the city came back on the 20th.
Also, the pile in the back of the house was partially
removed. We stopped removal for another day because of scheduling &
weather. The time stamp also indicates the clean up took 25 minutes.
\$3000 for 25 minutes. This seems very high & unfair for a first time offense.
