Stamps III, ONeal 029826

06/07/2024

This report is written by PO O'Neal STAMPS III, assigned to District 4, Late Power Shift. On this day, my partner Khalid MAJEED and I were dressed in full duty uniform with our last name and badges affixed to the outermost garment. We were also equipped with an Axon Body worn camera which was activated during this investigation.

### NATURE OF CALL/ JUSTIFICATION

On Thursday, June 6, 2024 at approximately 11:11 pm, PO MAJEED and I were dispatched to the address of 7130 N 76th St (McDonald's) for a SHOTS FIRED complaint. This address is located in both the City and Count of Milwaukee, WI. The caller of this complaint stated that subjects were shooting at each other and that they heard approximately 10 gunshots. The caller also stated that the subjects were no longer on scene. The caller added that they believe that someone may have been dropped off at the entrance of a nearby carwash after the shots were fired.

### INVESTIGATION

Upon arrival at the mentioned address, PO MAJEED and I checked the nearby carwash close to the dispatched address which is the Mister Carwash located at 7338 W Good Hope Rd for anyone in need of medical or police help in which we did not locate anyone. PO MAJEED and I then proceeded to the McDonald's parking lot which is the scene of this incident. Upon arrival at the dispatched address, PO MAJEED and I located 12 spent silver 45 caliber casings in the north parking lot of the business. I did not observe any vehicles in the parking lot upon our arrival.

I observed that the doors of the business were locked and the employees were all in the rear of the building. As I knocked on the front door of the business, the caller later identified as Daria L MORSE (B/F 10/02/1961), came to the door and allowed me access inside the restaurant. MORSE stated that while on duty, she heard

approximately 10 gunshots coming from the parking lot on the northside of the building. MORSE stated that she observed three vehicles in which she believed was involved in a shootout in the parking lot. MORSE stated that she observed a red Chevrolet Colbalt with front bumper damage, a silver sedan with drivers door damage and another silver Chevrolet Malibu who were exchanging gunfire with each other. MORSE stated that she observed the silver sedans leave the premise heading in a easterly direction and the red sedan exited the parking lot and proceeded north on 76th St. MORSE stated that no employees were hurt during this incident.

MORSE stated that she is the manager that was on duty but she does not have access to the security camera footage. MORSE stated that the security camera footage can be viewed during daytime hours as the head manager will be on duty and will have the required access.

PO MAJEED conducted CST duties by taking 58 photographs that captured the overall scene, location and evidence. PO MAJEED and I then collected the spent casings and conveyed them to District 4 where they were placed on inventory.

## FOLLOW UP

PO MAJEED and I then conducted a sweep of the area in search of any vehicles or building that may have been struck by gunfire in which we found none.

## Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
  - a. Include only information relating to the above license application.
  - b. Include only information you have personally witnessed or seen.
  - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
  - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.  
**Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.**
