I have received your letter of denial of my
claim on June 09-2009 about the damage
of the water in my basement because the
sewer system had up in my home about
one foot of water deep in my basement
and the damage it caused.

regret your decision, it I think your
decision is unfair. How your staff made the
decision that the water in my basement
was't negligent because of paper water
order. But I had damages about 500.00 ^{in damage}
plus I clean up for two day to get the bed
back in order. I hope you understand my claim

I wrote you in June 19-2009
about the water thru my basement
became it rain that day and the
sews back up in my basement.
My BOB overhauled me to write
him with a dollar amount be-
cause I did it. So of all my things
in the basement about
one thousand dollar. I do not have
no transaction of merchants so I have
to name a dollar amount!
