To the Honorable, the Common Council

Subject: Connecting Highway Designation
USH 145
West Fond du Lac Avenue between
West Walnut Street and West McKinley Avenue

Dear Council Members:

As a result of the Park East Freeway project, the designation of USH 145 extends on the newly created West Fond du Lac Avenue between West Walnut Street and West McKinley Avenue. This segment of West Fond du Lac Avenue was not included in previous connecting highway agreements with the State. Including this segment of West Fond du Lac Avenue on the Connecting Highway System will result in an annual increase of \$34,820.00 in State aid.

Therefore, we have prepared the attached resolution that authorizes the Commissioner of Public Works and Comptroller to enter into an agreement with the Wisconsin Department of Transportation, placing Connecting Highway designation on West Fond du Lac Avenue between West Walnut Street and West McKinley Avenue.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
