RE: Certificate of Appropriateness file number 180021 at 2623 N. Wahl Avenue

Dear Ms. Elmer:

I would like to comment on the rocks that were installed by 2623 N. Wahl Avenue in May 2015, on the south side of my driveway of my home at 2625 N. Wahl Avenue. I would request that the rocks are deemed inappropriate and taken down.

The rocks have caused vehicle damage. I back out of my driveway (I do not have room for a turn around) and the rocks are in a blind spot when I am at the top of my slopped driveway backing down to the street.

I ask the commission to rule the rocks be taken down.

Thank you,

Angela M. Kvidera
