Re: My Client: Susan Vorlob
Date of Accident: July 13, 2018

AUG 09 2018

3:05 A.M./P.M.

Dear Mr. Owczarski:

I represent Susan Vorlob, DOB: 02/22/1964, who resides 3455 N. Palmer Street, Milwaukee, Wisconsin 53212, who sustained injuries and damages on the streetcar tracks located near North Jackson Street on East Kilbourn Avenue on Friday, July 13, 2018 at approximately 10:00 p.m. I have taken the liberty of reviewing the tracks and there appears to be a substantial gap in one of the tracks which resulted in her foot being caught in the area on the northern most tracks just west of North Jackson Street.

Kindly advise the undersigned the name of the contractor who installed the tracks and its address so that I can also put them on notice of this injury.

As a result of the incident, Ms. Vorlob allegedly fractured her left ulna and left radius, suffered a broken nose, a chipped upper front tooth on the left side and her teeth shifted, which may result in TMJ.

I am also putting the company which is in charge Bastille Day on notice of this injury.

If you have any questions or wish to discuss this matter, please feel free to contact me.
