To the Honorable Common Council
Public Works Committee
City of Milwaukee

Dear Committee Members:

File No. 071562 vacates a portion of the west side of North Water Street south of East Pleasant Street, in the 3rd Aldermanic District. This vacation was initiated by the Redevelopment Authority of the City of Milwaukee and vacates a small triangular portion of right-of-way, removes deed restrictions relating to the prior use of industrial land and highway easements for the North End project as part of the implementation of the Park East corridor redevelopment plan.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation, and will not incur any additional costs associated with this vacation.

Since the proposed vacation is not in conflict with City plans, the City Plan Commission at its regular meeting on April 21, 2008, recommended approval of the file conditioned on obtaining the coordinated report from the Department of Public Works.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
