Hello,

We, my husband and I, reside at 2623 N Lake Dr Milwaukee. We are in support of the St. Marks Church and Hackett Apartments project. We think it will benefit the neighborhood by adding accessible housing, more parking and architecture fitting to the area.

The current addition on St Marks church does not fit with the church or the neighborhood. The proposed addition looks well thought out and appropriate. An apartment building will fit in with the buildings on the surrounding streets.

We are all for this project and hope it is approved.

Respectfully,

Katherine and Nick Gerrits
