RE: "Title Only" File

Dear Mr. Zielinski:

The Health Department respectfully requests a file be opened in title to approve a service agreement and rental agreement for Baccorp Development Ltd. The organization will occupy space at two City of Milwaukee health facilities, the Isaac Coggs Community Health Center and Johnston Community Health Center. They will provide optometric and eye glass services at these centers for the Municipal Health Services Program. We have requested the Legislative Reference Bureau of the City Clerk's Office to draft the resolution so that the file can be filled.

As always, thank you for your consideration of this "title only" resolution.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
