We don't want this designation and you know it Bauman yet you continue to shove this down our throats..... what is the motivation? I assume you must be getting kick backs from the companies who make " historic " products.....

So many in the district can't stand you and are probably afraid of you. Especially the businesses who need liquor licenses. You are probably shaking them down for money so they can continue to do business. That extra money is how you've probably been able to pay for the million dollar house in Chicago. Please go back to Chicago and stay there and stop destroying Milwaukee neighborhoods!

See you Monday, Arschloch!
