Project/Program Title: Public Health Preparedness Grant (CDC)

Grantor Agency: Department of Health Services (DHS)

Grant Application Date: N/A

Anticipated Award Date: July 1, 2016

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The purpose of this program is to assure that MHD is ready to respond to any type of emergency including terrorism, pandemic influenza, and other communicable disease outbreaks. These emergency preparedness and planning efforts are intended to enhance public health preparedness capabilities according to national standards for local planning by the Centers for Disease Control and Prevention (CDC). The goals of this program are to

PREVENT:

- (1) Increase the use and development of interventions known to prevent human illness from chemical, biological, radiological agents, and naturally occurring health threats.

DETECT AND REPORT:

- (2) Decrease the time needed to classify health events as terrorism or naturally occurring in partnership with other agencies.
- (3) Decrease the time needed to detect and report chemical, biological, radiological agents in tissue, food or environmental samples that cause threats to the public's health.
- (4) Improve the timeliness and accuracy of communications regarding threats to the public's health

INVESTIGATE:

- (5) Decrease the time to identify causes, risk factors, and appropriate interventions for those affected by threats to the public's health.

CONTROL:

- (6) Decrease the time needed to provide countermeasures and health guidance to those affected by threats to the public's health.

RECOVER:

- (7) Decrease the time needed to restore health services and environmental safety to pre-event levels.
- (8) Improve the long-term follow-up provided to those affected by threats to the public's health.

IMPROVE:

- (9) Decrease the time needed to implement recommendations from after-action reports following threats to the public's health.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This grant is consistent with the departmental strategic goal of increasing public health preparedness to respond to emergencies.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

CDC preparedness funds supports basic infrastructure within the health department needed for emergency response and response to outbreaks of communicable disease.

4. Results Measurement/Progress Report (Applies only to Programs):

Midyear and year end progress reports submitted to DHS.

5. Grant Period, Timetable and Program Phase-out Plan:

Grant period extends July 1, 2016 thru June 30, 2017. This represents the 5th year of a 5 year renewable grant.
