Hello License Division, the business named in the subject line of this email is operating without the required licenses. Specifically, they have two amusement machines which would require an entertainment license as well as possibly a tavern license.

These machines are tacky, and I hate them. Though they seem ubiquitous these days, I do not want my walk down the street to feel like I'm in a casino. If people want to gamble, they can go to Potawatomi. If businesses want to be able to passively take people's money, then they should set up shop in a neighborhood with a bit more disposable income.

If I recall correctly, the previous business, _____ also briefly had amusement machines when they weren't supposed to, so perhaps it would be worth investigating why the machine distributors aren't verifying that businesses have the proper licensing before putting in the machines.

In personal capacity as a resident,
