MOTION

I move to amend the resolution to add the following three provisions before the last "Further Resolved" clause:

ANALYSIS OF MOTION

The proposed amendment provides for a collaborative process between the City Clerk and the Department of Administration to develop and report on a survey of the public's

priorities in spending the ARPA funds. The survey questions shall be approved by the Common Council.

The amendment also provides for the Common Council and the Mayor to agree to early expenditure of ARPA funds prior to the development and approval of an overall allocation budget, and limits the scope of the initial ARPA allocation budget to the first tranche of ARPA funds that will be received by the City in 2021.
