Subject: A resolution related to the application, acceptance and funding of the 2010 Wisconsin Emergency Medical Services (EMS) Funding Assistance Program grant.

Dear Honorable Members:

Please accept for introduction at the Common Council meeting of September 22, 2009, the attached file related to the Fire Department's acceptance and funding of the 2010 Wisconsin Emergency Medical Services (EMS) Funding Assistance Program grant.

Attached are the required resolution and file attachments.

The Wisconsin Emergency Medical Services (EMS) Funding Assistance Program enhances the provision of emergency medical services to City of Milwaukee citizens and visitors as it provides the Milwaukee Fire Department the ability to improve and supplement its EMS program with funding for critical ambulance vehicles, equipment, supplies and training.

The 2010 award continues to reflect a change related to the disbursement of training funding based on the State of Wisconsin 2006 funding distribution method and funding formula based on the provider's primary service area population, number of licensed EMT-basic personnel, and call volume.

Please contact Deputy Chief Debra Weber, at ext. 8982 or Business Finance Manager Emma J. Stamps at ext. 5281 if you require assistance with this file.

Respectfully submitted,

DOUGLAS A. HOLTON
Chief
