Dear Inspector Cortez,

The Historic Preservation Commission approved mothball status for the property at 266 E. Erie to suspend fees on building and maintenance code orders, cf. MCO 200-11.5. Fire inspection, vacant building, cross-connection survey, etc. and any fees related to those items still apply to the building.

Approval is subject to the conditions in the attached report, indicating that they are to board the broken windows, clear the gutters, and temporarily patch the major holes as soon as practicable.

Tim Askin, Senior Planner
Historic Preservation Commission
City of Milwaukee
