Dear Mr. Fromm and Mr. Tepper:

The City of Milwaukee Licenses Committee, at its meeting of June 5, 2007, recommended to the full Common Council that the mobile home park license for the premises at 6160 S. 6th St. be renewed with a warning letter.

The Committee members had concerns related to the number of building code violations and police calls to the premises in the past year. Committee members had also suggested that you take the landlord training class offered by the City through its Department of Neighborhood Services to better screen your tenants in an attempt to reduce police services to your premises.

Sincerely,

RONALD D. LEONHARDT
City Clerk
