

April 29, 2003

To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 021423, being a substitute resolution to vacate right turn bypass at North 12th Street and West Wisconsin Avenue, in the 4th Aldermanic District. This vacation is necessary since the right-turn bypass was eliminated as part of the Wisconsin Avenue street improvements and to allow construction of the Al McGuire center. This resolution also permits the Redevelopment Authority to convey said land according to the terms of the Land Disposition Report.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation. The City Engineer has found that no additional costs or work will be necessary as a result of this vacation since the right-turn bypass has been eliminated as part of the Marquette University beautification project.

Since the proposed vacation is not in conflict with city plans, the City Plan Commission at its regular meeting on April 28, 2003 recommended approval for the attached substitute resolution.

Sincerely,

Julie A. Penman
Executive Secretary
City Plan Commission of Milwaukee
