Dear Alderman John Brostoff

I hope this letter finds you well. I am writing to bring your attention to a pressing issue that has been causing significant concern in our community. As a homeowner residing at I have noticed a severe lapse in garbage collection services at the gas station adjacent to my property.

Over the past month, the gas station's garbage has remained unattended, resulting in an accumulation of waste that poses not only an eyesore but also a potential health hazard. The unsightly condition of the premises not only reflects poorly on the business itself but also adversely impacts the overall appeal and livability of our neighborhood.

In light of this matter, I kindly request your immediate intervention to rectify the situation. It is imperative that the gas station receives prompt attention and is held accountable for the proper disposal of their accumulated garbage. Swift action is necessary to prevent any further deterioration of the surroundings and to ensure the well-being and satisfaction of the residents in our community: a small other concern that probably only affected me because I'm the closest, they have a door open alarm that is loud enough that I can here it within my house. I have spoken with them about this and it was rectified for a bit then came right back.

I believe itis within your esteemed capacity as Alderman to address this issue effectively

and efficiently. I kindly request that you initiate an investigation into the matter and take appropriate measures to ensure that the gas station complies with the necessary waste management regulations.

I would greatly appreciate it if you could keep me informed about the progress made in resolving this concern. Your attention and prompt action in this matter would be highly valued and greatly appreciated by the community.

Thank you for your time and consideration.
