RE: Report of Injury on City Property

Dear Sir:

I am writing for your help in locating the appropriate office of the city to report a fall I suffered.

On July 14, 2005, approximately 11:30 AM, I was walking on Wells Street at the intersection of North Old World Third Street in front of city parking garage.

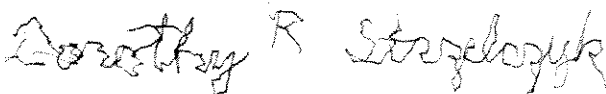

I fell at this location due to a large portion of the sidewalk being cracked and in disrepair. I suffered a break in two places to my right arm/wrist. The City parking garage attendant called 911 for me, and I was taken by ambulance to Aurora Sinai Medical Center. On July 15th I had surgery to put pins in my wrist.

I returned to my home in Bradenton, FL and continue to wear a cast and receive treatment from an orthopedic surgeon for this injury.

I would appreciate appropriate offices from the City contacting me concerning this injury.

Thank you for your help.

Sincerely,

Dorothy R. Strezelczyk

Dear Mr. Carini:

Following your instructions, I am writing to advise after a painful injury and months of treatments, I have been released by my orthopedic physician.

You indicated I should write a letter to indicate a settlement offer. I am a bit confused by the amount since I have been advised Medicare will require repayment of all the bills they have paid from my injury.

The medical bills total \$18,796, that have been paid. If I have to pay the medical bills back out of any settlement, that would raise the number of any settlement to me. If the City is going to make reimbursement to Medicare directly the number to settle would be less.

Doctor reports indicate I have a permanent disability of 10% of the whole person following the breaks in my arm. I suffered extensively during the surgery and the months of physical therapy and treatments. Assuming your settlement would indicate I am NOT required to make any payments to Medicare from my proceeds, I would settle for \$28,087.

If you have any questions in this matter, I would again request you contact my son-in-law, Dick Johnson. I know you have spoken with him a number of times and you have his number and address.

Sincerely,

Dorothy Strzelczyk
