ROBERT G. DONOVAN

Alderman, 8th District

December 3, 2006

Mayor Tom Barrett
City Hall, Room 200

Dear Mayor Barrett:

Yours

It has been the past practice of the Public Safety Committee to invite the Health Commissioner as well as the Police and Fire Chiefs to the committee to give a "State of the City" address from their departments' perspectives. To that end, I am inviting you to a special Public Safety Committee meeting at 1:30 P.M. in Room 301 B, City Hall on January 11th.

Your role as Mayor is a critical one and since you have been a part of several public safety initiatives recently, I thought you might like the opportunity to update the Public Safety Committee. In particular, we would like:

- Details of the Safe Streets Milwaukee program recently announced
- More information on the school safety initiative implemented for the MPS system
- A report on the successes of your Safe Summer program

After your presentation, the members of the Public Safety Committee will most likely have questions based upon your presentation, as well as other areas of interest and importance to the committee members.

I thank you in advance for your participation. We will also have the Chief there that day giving her address. If need be, we can give you a later agenda time to better accommodate your schedule.

Please advise me of your availability as soon as possible since we will need to include your presentation in the public notice for this meeting.

Sincerely,

Bob

Ald. Robert Donovan, Chair
Public Safety Committee
