Item: 1. 210894 Substitute resolution relating to the appropriation of the remainder of the first tranche of American Rescue Plan Act funds.

eComment: I support Proposal #31 Indoor Soccer Complex! This would be great for our community! There are multiple locations but many are far and inaccessible to younger athletes. A facility in the south side would allow for a space within our community where members could healthily compete and remain off the streets. This facility will be continuously utilized for years to come
