SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #060516
INSTALL NO PARKING ON THE SOUTH SIDE OF
WEST WELLS STREET FROM NORTH 19TH STREET
TO A POINT 50 FEET WEST

Dear Alderman Bauman:

This is in response to a request we received from the Milwaukee Rescue Mission to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that northbound motorists on North 19th Street have a difficult time seeing traffic traveling eastbound on West Wells Street when vehicles park close to the corner. Therefore, in the interest of public safety, recommend the installation of the four-way control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
