

October 3, 2003

To the Honorable, the Common Council

Dear Honorable Members:

We have bid out the reconstruction of the McKinley sewage pumping station, for which the City has maintenance responsibility. The sewage will be pumped through a force main that will be located outside of the right-of-way of North Terrace Avenue (extended) in land owned by Milwaukee County. An easement is necessary between the City and County for the construction and maintenance of the proposed McKinley pumping station force main.

The attached resolution accepts the easement that we have prepared. The Milwaukee County Board of Supervisors approved a resolution (File No. 03-454) on September 25, 2003 authorizing the execution of the easement.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
