Office of City Clerks -License Division

I am responding to a Notice of Public Interest Letter which I received on April 8th, 2021 in regards to a new bar opening at 1100 E Potter Ave in Bay View to be called Old Skootz. I am opposed.

There are already two bars on this block. The Behulla Brinton Community Center is located 4 houses away, a family facility with children coming and going. Also, Atlas School is just one block away. Teachers walk large groups of children past the proposed site, several times a day, taking them to the nearby park. There is a serious safety concern here since intoxicated people may be leaving the bar in cars. Still Shakers Bar is across the street from the proposed location. Another bar is not necessary in our community. Burnhearts Bar is at the other end of the block. We don't need a third bar.

As a homeowner, I do not want to smell cooking in my neighborhood 24/7 and that's what will happen if the new facility starts selling food.

Mc Donald's is far enough away so we rarely smell food cooking. Lastly, parking will be an enormous problem because there isn't a parking lot for the new establishment. The many rental units in the immediate vicinity are already taking up the available street parking.

This is a residential area. We are just trying to live normally. KK would be a more appropriate location for another restaurant and bar. There is plenty room on that street for another bar.

I trust that no retaliation will result in my writing this letter.

I do not know Mr. Wishman personally and wish him all the luck in the world in opening a business elsewhere.

Subject: Objection to Class B Tavern, Food Dealer - Restaurant & Public Entertainment Premises license for Old Skoolz, 1100 E Potter Ave.

To whom it may concern:

We live down the street from this proposed establishment (we have owned our house since 2007) and need to raise our concerns with this bar opening here.

It would appear after a cursory facebook search of the applicant that he is an avid motorcycle enthusiast as are many of his facebook friends. While that alone is not a problem, it IS a problem for us if we are suddenly inundated in this quiet & residential area with motorcycles & the noise they bring.

We have had previous issues with this spot before (prior to it being Victorias) with bar fights spilling into street, patrons making loud music & noise / shouting / talking outside & have also had problems with the the other bar just across the street from here as well, open illegal drug use / public drunkenness / loud music / etc. Why this quiet spot needs ANOTHER bar is beyond us, but the thought of it potentially attracting other bikers & the noise they bring is beyond disconcerting.

Why open a bar in a quiet residential area if that's what you & your potential customer base is into? We strongly object to this happening right up the street from us...this should be in a busier spot on a louder, main street, NOT in a quiet residential area.

We are on the verge of investing heavily into an extensive remodel of our home & are now left to question if that is a sound investment idea or not...we would NOT have bought this house years ago at all or at any price if we knew we would be living right down the street from a loud / obnoxious bar with a bunch of harleys making

noise in the neighborhood. We're left wondering now if it's in our own best interest even considering investing in a property we've owned for 14 years....and that is a shame & is also troubling.

One last thing we would like to clarify....this is NOT going to be a live music venue is it? If so (we can't tell from the 'Public Entertainment Premises' license exactly what the plan is....but we must raise our EXTREME objection to the idea that live music will happen here & to this establishment being granted a license to do so.

thank you for your time

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is written by Police Officer Michael WARD, Assigned to District 6, Early Power, Community Liaison Office.

On Thursday, April 15, 2021, I conducted A Crime Prevention Survey at 1100 E. Potter Ave., located in the City of Milwaukee. I met with Owner and Future Agent, Timmy T. Wishman.

The location was still under construction/remodeling during the time of inspection.

Mr. Wishman was able to show plans for future location of exterior and interior cameras for the property. Locations of the future cameras were more than adequate. 3 exterior cameras – 5 interior cameras. Interior cameras cover all angles of the bar, including entrance and till.

Lighting on the exterior of location was being updated and placement appeared to be adequate. There are two city street lights in the immediate area of the bar as well. Lighting was not observed due to time of day of the inspection was conducted.

Wishman stated he is painting the exterior of the building and will be updated the address numbers so they are more easily seen from the street.

Wishman added he will have a drop box safe located on premise bolted to the floor in a secured closet.

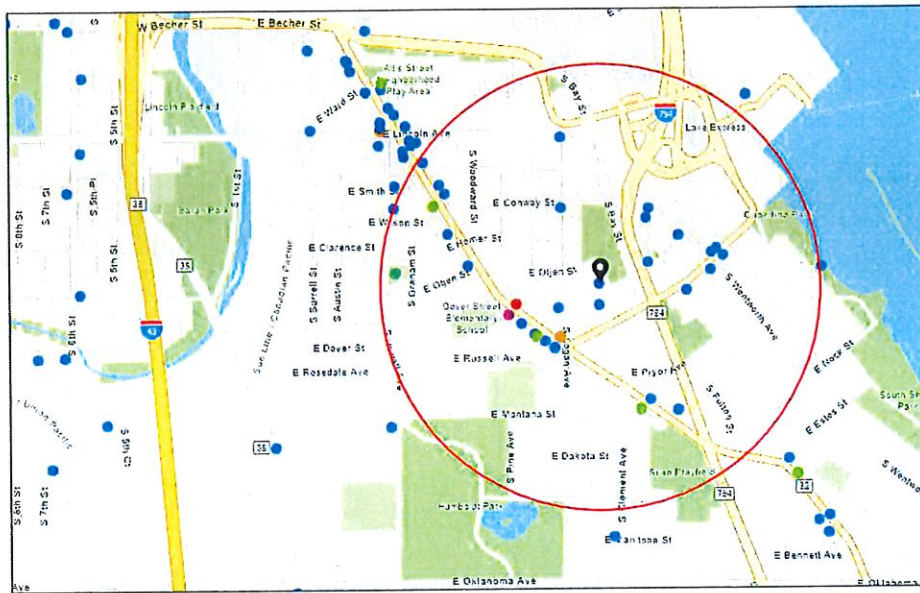

This concludes my additional information.
