B. Describe all proposed work, materials, design, dimensions and construction technique to be employed (additional pages may be attached)

We have been contracted by the Social Development Commission to replace the existing chimney vented gas boiler with a +95% PVC vented gas boiler. The PVC pipes will be located in the circled area within the attached pictures. The placement is due to how the joist are running in the basement and current location of the existing boiler.

Photo No. _____

Drawing No. _____

6. SIGNATURE OF APPLICANT:
